

Hello Parents,

Please note both the division and the first letter of the player's last name to determine when your player should attend the Combine. League Age is determined as of player's age on September 1, 2011.

Players must attend during the assigned time to ensure we stay on track time wise as well as to allow the coaches within the specific divisions to see all of the players within their division.

Two Combine Schedules are attached to this document – the Main Combine on page 1 and the Make-up Combine on page 2. Make every effort to attend the Main Combine as we anticipate having enough volunteers on hand to keep us on time.
